ADVERTISING

Commercial: Rates are \$60 per page, \$30 per half or \$15 per quarter.

Tournament: Rates are \$40 per page, \$20 per half or \$10 per quarter.

The ratings booklet is probably the most-read chess publication in Australia: players are always anxious to learn their new rating, and the ratings of their friends, and to see whose rating is increasing the most rapidly, who are the strongest players, and so on.

It is an excellent vehicle to carry messages to all Australia's active chess players.

Prospective advertisers should contact the ACF at PO Box 716, Mt. Waverley, 3149 or phone/fax 03) 9700-4917.

Deadline for advertisements is 15th of March, July and November.

Comments

We are now over the half-way mark and the potential Grand Prix winners should be starting to emerge. Ian Rogers has stormed to the lead with a good win in the ANU Open with Stephen Solomon the only player within striking distance.

Traditional winner, Darryl Johansen, suffered a set back at the Geelong Open which was won by IM Tu from Vietnam. Actually foreign players may have a bit of an impact on the standings in the remaining months with so many overseas players coming to Australia for the ANU International Tournament and the Australian Masters Tournament. Also WGM Nutu-Gajic has arrived to take up residence in Adelaide, and already has 25 GP points (in the women's list) from her second placing in the Geelong Open.

For a list of forthcoming GP events refer to the calendar on page 3.
