THE RIFT HEALS

Negotiations are well advanced between CAQ and Chess Enterprise to heal the rift between the two bodies. CE is terminating its independent rating system, with CE tournament results to be processed by CAQ for inclusion in the National Rating System.

In addition, an agreement has been signed regarding cooperation in the vital area of school coaching. The terms of the agreement are:-

Chess Enterprise will -

- * organise and assume responsibility for all primary and secondary school coaching in the Greater Brisbane area;
- * cooperate with the CAQ State Director of Coaching in the development of coaching in Queensland;
- * be responsible for the appointment of coaches;
- * provide CAQ with details of schools and children being coached;
- * pay to CAQ a coaching fee per child per term;
- * guarantee a minimum payment per term to coaches.

The CAQ State Director of

Coaching will -

- * liaise between CAQ and CE;
- * assist clubs to develop their own coaching activities;
- * set up coaching clinics in country areas;
- * pay to CE a coaching fee per child per term;
- * promote the joint CAQ/CE coaching service in Brisbane.

Chess Enterprise and CAQ will -

- * run seminars for training of coaches.

The executives of both bodies recognise that their differences are not mutually-exclusive and that, if treated correctly, they can be beneficial to Queensland chess. They can also be very damaging if mishandled.

The executives urge all parties interested in the development of chess in Queensland to understand this potential and work together to achieve the mutual goal, establishing a strong base for organised chess in our State.
